#### THOUSANDS BEAR WITNESS

To the Value of Pyramid Pile Cure-Thousands of pile sofferers sear witness to the inestimable value of the Pyramid Pile Cure and even those who have indergone surgical operations, without care have been happily surprised by results from a few weeks' treatment with

the Pyramid. The relef from pain and itching is ulmost in-tantaneous and the healing oils and astringenic contained in the remedy gradually and naturally bring about a complete cure in any form of ples—itch-

Ing/protruding, internal or bleeding.

Mr. Arthle Birkett, of Ionia, Mich.

writes: "I was troubled with plies at bad,

thad to just work for a while. I found
no relief until I tried the Pyramid Pile Core. I used only two applications and it cured me almost instantly. I can truthfully recommend the Pyramid Pile Cure to any sufferer from ples."
Mr. Edward Dunnellen, of Wilkes arre

Pa. says: "For seven years I was scarcely ever free from the ithing torment of piles. I had used cintments and selves without number and oftentimes got relief from them, but it took the Pyramid Pile Cure to make a comp'ete cure; it did it thoroughly and for eighteen months I have not had the slightest trace of piles. I feel all the more rejoined breause some of my frinds told me I would never be orred unless I submitted to surgical operation and this I fet I never could do."

Mrs. Airon Medran, of Savannah, Ga., writes: 'Ever's nee the birth of my first child, six years ago. I have suffered greatly from piles and rectal troub'es.

not br no myself to bear the thoughts of a surrical operation and had always been prejudiced and inst patent med class. "But it was simply a case of try something or give up ent rely and so having often seen the Pyramid Pile Cure adveroften seen the Pyram'd Pile Cure adver"sed I determined to try it and for two
years have never ceased to congratulate
myself that I d'd so for I fave been catirely cured of rectal traub's and two
packares of the Pyram'd removed every
trare of the piles. This may sound farfetched and overdrawn, but it is absoluteto the piles.

The Pyramid Pile Cure contains no co-caine oplum nor our injurious drug whatever, and is absolutely sufe, painless and effective.

Druggists sell full-sized treatment of this remedy for 50 cents.

WILL IT BECOME POPULAR?

How Do You Lake This New Fad? Vegetarians, anti-coffee drinkers and food cranks of every description must now take a back seat, for a new fad has the floor. A soc ety has recently been formed, the

members of which pledge themselves to eat no food whatever that has been cook-ed. They claim that uncooked food is the only rational healthful diet; that our re-mote ancestors are no cooked food and therefore, if we do he same, vigor and nealth will be our reward.

Raw meat, raw potatoes, raw wheat.

Raw meat, raw potatoes, raw wheat-raw eggs, raw everything, is the entiong bill of fare held out to the enthusiastic food crank of the future and the society proposes to establish restaurants in the arger cities where this delightful menu nay be served daily.

Modern cooking is often a dyspepsia pro-

Andern cooking is orien a dyspisate dicer, because we fry so many foods which should be baked, roasted, broiled or boiled; fried food is indigestible because each particle of food is incased in hot grease which the digest ve juices of the stomach cannot easily penetrate; but properly-cooked food is more easily digested than the same food uncooked, and we predict ccoked tood is more easily digested than the same food uncookel, and we predict for the new fad a very limited following.

The real cause of indigestion is the lack of hydrochloric acid and peptones in the stomach so that no matter how well cooked the food, it cannot be well digested unless the cooking the stomach and a period the food. unless the gastric juice is abundant and contains the necessary amount of peptones

contains the necessary amount of peptones to dissolve the food.

Therefore, the most sensible cure for poor digestion is to take after each meal some safe and reliable digestive like Stuart's Dyspepsia Tablets, which supply peptones to digest the meat and eggs, and dastase to dgest the bread, potatoes and similar starctly foods.

Laxative medicines never cure indigestion because they have no digestive effect whalever upon the food; on the other hand if the food is properly digested there will be no need of laxatives; good digestion does away with constipation.

Stuart's Dyspepsia Tablets contain pure asceptic pepsin (government test) distase and the digestive elements which weak stomachs lack, and they cure indigest on by assisting the over-worked, run down domach in its hard work, until it is reduced to its normal condition, when the tablets are no longer needed, but there are thousands of robust men and women who never eat a meal without taking one are thousands of rooust then and women who never sat a meal without taking one or two of Stuart's Tablets, because by so or two of Stuart's Tablets, because by so dring they can eat what they please and when they please and be free from any

# TIME CHEATED

Vigor, Youth, Health Restored to Weak and Old

ROP—drop—drop. The sands of time fall fast. The upon us ere we know it, while we cling, with bated breath, at the feet of Fate, begging for life.

That is not the way to obtain health. If you have squandered your vital forces, dissipated your energy, and feel old before your time, you have simply robbed Nature—you must repay her. You must yourself electrify your nerves, enrich your blood, and purify your entire physical system.

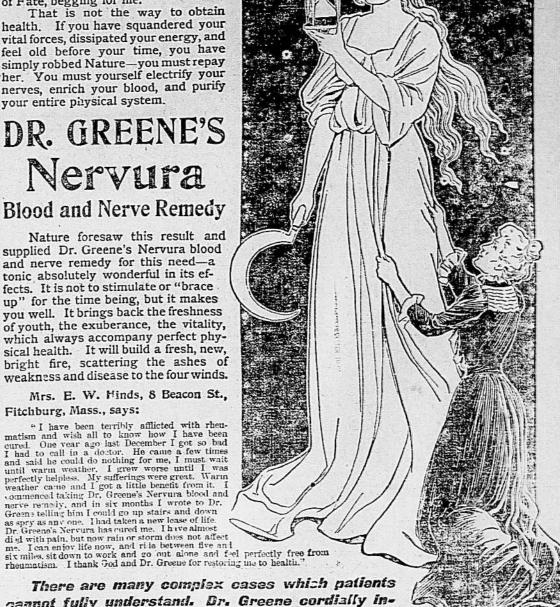

# DR. GREENE'S Nervura

Nature foresaw this result and supplied Dr. Greene's Nervura blood and nerve remedy for this need-a tonic absolutely wonderful in its effects. It is not to stimulate or "brace. up" for the time being, but it makes you well. It brings back the freshness of youth, the exuberance, the vitality, which always accompany perfect physical health. It will build a fresh, new, bright fire, scattering the ashes of weakness and disease to the four winds.

Mrs. E. W. Hinds, 8 Beacon St., Fitchburg, Mass., says:

"I have been terribly afflicted with rheumatism and wish all to know how I have been cured. One year ago last December I got so bead I had to call in a doctor. He came a few times and said he could do nothing for me, I must wait until warm weather. I grew worse until I was perfectly helpless. My sufferings were great. Warm weather came and I got a little benefit from it. I commenced taking Dr. Greene's Nervura blood and nerve remeity, and in six months I wrote to Dr. Greene telling him I could go up stairs and down as spry as any one. I had taken a new lease of life. Dr. Greene's Nervura has cured me. I have almost died with pain, but now rain or storm does not affect me. I can enjoy life now, and rile between five and six miles, sit down to work and go out alone and feel perfectly free from rheumatism. I thank God and Dr. Greene for restoring me to health."

There are many complex cases which patients
